NETWORKS

XPRAG.de I provide counsel to this 5 million euro project (2014-2017)

XPRAG.it I provide counsel to this Italian organization on Experimental Pragmatics

LACA Member of international collaboration on *Language Abilities in Children with Autism* (2014-2016)

ESF EURO-XPRAG I headed this European wide effort to transform Experimental Pragmatics, a growing academic trend in the Cognitive Sciences, into a proper field of research (2009-2013).

Leverhulme Trust Network I was invited to be a part of this multi-disciplinary network devoted to the "exploitation of context in communication" that investigates logical and linguistic phenomena (2008-2011).

COST-A33 This European (**C**ooperation in **S**cience and **T**echnology) project coordinates basic comparative research on first language acquisition in normally developing and language impaired children. I was invited to be active in the *Quantifier and Implicature* group, which has adopted many of my own tasks (2007-2010).

WORKSHOP & CONFERENCE ORGANIZATION (PRIMARY ONES)

Réduire les inégalités dans le domaine de l'apprentissage des mathématiques. Lyon, 27 Sept 2018

XPrag meets Historical Pragmatics (with Petra Schumacher & Gerhard Jäger) Köln November 14-15 2016

Historical Linguistics meets Experimental Pragmatics (with Eitan Grossman) Hebrew University/CRFJ
Exploratory Workshop 15-16 May 2014.

Experimental Pragmatics (with Valentina Bambini). Second workshop of Experimental pragmatics EURO-XPRAG Network. Pisa, 30 September-2 October, 2011.

Experimental Pragmatics (with Louise McNally & Bart Geurts) Fourth Biennial Conference, Barcelona, 2-4 June 2011 (100+ participants, 18 accepted talks (out of 102 submissions), 6 invited speakers).

Experimental Pragmatics (with Coralie Chevallier) Third Biennial Conference, Lyon, France, 23-25 April 2009
(80 participants, 12 invited speakers and discussants)
Colloquium organiser, **The Neuroimaging of Reasoning**, 4th International Conference on Thinking and Reasoning, Venice, August 2008
Colloquium organiser, **Reasoning & Neuroimaging**, 3rd International Conference on Thinking and Reasoning, Leuven, July 2004
Experimental Pragmatics (with Dan Sperber). First workshop on the integration of pragmatic theories and psycholinguistic methods. Lyon, France. May 17-19, 2001

TEACHING: COURSES AND SUMMER SCHOOLS

Berlin, XPrag.de Summer School (July 2019) Experimental Pragmatics and Cognitive Science
Oslo, (August, 2018) Language and Mind Summer School
Champex, Switzerland (June, 2018) Summer School
Fribourg, Switzerland (February 2018), "Swiss Universities Doctoral Program: Language and Cognition"
Manizales, Colombia (November, 2016). Gave a week-long series of classes on experimental psychology and experimental pragmatics.
Paris, (2006-2010/2014-2018). Participate in Cognitive Science Masters course devoted to Reasoning (*français*).
Berlin, Xprag.de (2014) Experimental Pragmatics: History to current issues (Class)
Pavia, Institute for Advanced Study (2012). Introduction to Experimental Pragmatics (Weeklong lectures)
Utrecht Summer School (2011) Neuroscience of Communicated Meaning. One of five speakers who participated in a European program for advanced Graduate Students and Post-Docs.
Lyon (2008, 2009). Neuroscience of Language and Reasoning course to Masters students of Neuroscience, Université de Lyon 1 (in French).
Leysin (2009) Gave an introduction to Experimental Pragmatics to advanced graduate students from Linguistic programs across Switzerland (in English).
Japan (2002) - Gave a week-long series of lectures on Experimental Pragmatics to 3 Universities in Japan.
Grenoble (1997-2000). As a full time Maître de Conference, I gave courses on Cognition, Reasoning, Statistics, and Development to undergraduates and graduates (192 hours per year in French).
