## RESEARCH INTERESTS

---

Psycholinguistics	Redundant adjective production, Syntactic priming
Syntax	Experimental syntax, Adjective position
Language Acquisition	Second language acquisition, Overgeneralization, Transfer
Quantitative approaches	Experimental design, Frequentist and bayesian statistical modeling

## EDUCATION

---

<b>PhD in Linguistics</b> Université Paris Cité Thesis: <i>Adjective-Noun word order in L1 and L2: an experimental approach</i> Direction : Barbara Hemforth	<i>2021 - 2025 (expected)</i>
<b>MA in Applied Linguistics in Teaching French as a Foreign Language</b> Université de Paris (Formerly Paris Diderot University) Thesis: <i>Acquisition of the position of the attributive adjective in L2 French by Chinese learners</i> (written in French) Direction : Claire Saillard	<i>2019 - 2021</i>  <i>Distinction</i>
<b>BA in French Language</b> Hubei University	<i>2014-2018</i> <i>First Class Honours</i>
<b>BA in Law</b> Hubei University	<i>2015-2018</i>

## PUBLICATIONS

---

### Accepted

**Zhanglin Xie** & Barbara Hemforth (submitted). *The acquisition of the placement of the attributive adjective in L2 French by Chinese-speaking learners: the overgeneralization of the “short-before-long” principle?* (written in French)

### In preparation

**Zhanglin Xie**, Claire Saillard, Maria Copot & Barbara Hemforth (in prep). *L2 acquisition of French adjective position: an overgeneralization pattern.*
